听力原文

(Text 1)

M: Hey, that new superhero movie is out this weekend! But we're going hiking. Maybe we can go during the week?

W: Okay. It's showing on Tuesday and Thursday.

M: Let's go on Thursday. I play football on Mondays and Tuesdays.

W: Perfect, let's do it!

(Text 2)

M: Good afternoon. I'm calling about ordering some uniforms for my baseball team.

W: OK. Do you have a design in mind? If not, you can use our website to view different styles. Then you can submit your order through the site, too.

(Text 3)

W: Jeremy, Europe is amazing!

M: Oh Sally, that's so cool. What's the best place that you went to?

W: It's hard to choose. I really love Paris and Madrid but it has to be Venice as the architecture is just breath-taking.

(Text 4)

W: Hey Tom! Are you going to the cafe downstairs to get a cup of coffee?

M: No, that's closed. I'm going to the dessert shop by the bookstore on the next street.

W: Do you mind if I go with you?

M: Not at all. I feel lonely going by myself anyway.

(Text 5)

W: Jack, Mr. Gomez wants to see you in his office.

M: Do you know why? I hope I haven't done anything wrong.

W: Relax. He just wants to go over some client data.

(Text 6)

W: I can't believe my car died! Thanks for giving me a hand.

M: Anytime.

W: You look like you know what you're doing.

M: My dad's a mechanic, so he taught me a few tricks of the trade.

W: Do you think it'll make much longer?

M: Just another couple of minutes, and you'll be able to hit the road.

(Text 7)

M: Have you reviewed the application letter of Steven Johnson? His experiences are pretty impressive.

W: I have noticed he won pretty big contracts from a big international trader last year. Do you think he would be a good fit for our company?

M: Well, we have to see him in person before making any decisions. Should I arrange a formal interview with him?

W: Actually, I'll be out of town next week, so why don't we set up a schedule in the following week?

(Text 8)

W: Pablo, I heard about your promotion in today's regular meeting. Congratulations! When do you start your new position?

M: Thanks very much! I start on Monday. Things are a little busy at the moment, though, because my new office is on a different floor, and I have to move all my personal belongings there.

W: I just took charge of the office supplies, so if you need anything to help you pack, let me know.

M: That would actually be very helpful. I can't believe how many things I've collected over the years! Do you think I can get some cardboard boxes and tape?

W: Sure you can. Oh, I'm supposed to give an expense report in five minutes. I'll come back to you later.

(Text 9)

W: Hey Terry, this charity fundraiser I'm organizing, it's going to be a big event!

M: Where are you hosting it, Mary?

W: Here in this coffee shop. There's space for live music, food, and lots of activities for kids.

M: Oh, I assumed you would do it at a music hall.

W: We considered it. But it wasn't available then. Then we decided either here or the park. Finally, we chose this shop as it's more family friendly.

M: Yeah, that makes sense, and I suppose this is more private compared to the park. What charity is it?

W: A local animal shelter. I thought this would be a great way to raise awareness and funds. They always need a little support.

M: That's awesome. What can I do to help?

W: Well, I was actually hoping you could lend me a hand with the music. You know a lot of bands, and I was thinking maybe you could help me book some acts for the event.

M: Sure, I'd be happy to help out. I'll see what I can do.

(Text 10)

W: Good evening, everyone. I recently learnt Arabic in Cairo as part of my degree. My interest in the language was due to the passion of our Arabic lecturer and as the course progressed, my interest in the culture also grew with it. I considered studying in the Middle East, but ultimately decided on Cairo due to its energetic cultural scene.

However, in the city, we faced some challenges, including difficulties finding a hotel and accommodation as we were a group of unmarried individuals. Once settled, the culture shock was intense for some of us. One member of our group returned home within the first week. Luckily I became accustomed to the life in Cairo gradually.

The biggest challenge of learning Arabic is the disconnection between the written and the spoken forms.

Despite these challenges, learning Arabic has been a rewarding experience, including absorbing myself in the culture and getting to know the locals and even negotiating at a local market. Highlights were being invited to a traditional Arabic meal at one of the locals' home and being able to confidently communicate.

Overall, this experience was outside of my comfort zone and allowed me to learn and grow in interesting ways. I encourage others to consider involving themselves in new cultures and languages. Thanks for listening.
